

State funded Residential Treatment Program
(Mental Health PNMI) Letterhead

1/14/2024

To Community Health and Counseling

John Doe is currently a client of Treatment is our Name, and he resides at Project House.
John's intake date at our PNMI was 5/15/2023

This individual has met treatment requirements at the time of the writing of this letter and no longer meets the required level of care at our PNMI. They will be moving from this program to less restrictive accommodations as soon as such a placement is located.

If you have any further questions or concerns, please do not hesitate to reach out to me.

Thank you,

John Spongebob
